Beyond the boundaries of space and time, the Chaos Gods observe the galaxy with ancient and malevolent eyes. To these terrible entities, realspace is simply a battlefield, and its inhabitants mere pawns in the grandest game of all - the struggle for ultimate dominion between the Ruinous Powers themselves. Their truest servants, who fight this war in their names, are the daemons created in their own image: creatures of staggering power, horrifying aspect and exceptional cruelty.

Codex: Chaos Daemons contains a wealth of background and rules - the definitive book for Chaos Daemons collectors. Within, you'll find:
