"Wherever I go, I'm asked, 'How do you stay so healthy and young?' Or I'm complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, 'I'm a big, strong, healthy girl!' Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality."
