Lorsque son petit ami Brandon conclut un marché avec le caïd de la pègre new yorkaise, Franco Di Baptista, afin de régler sa dette auprès de lui, elle s'enfuit et tente d'aller retrouver son frère.

Rattrapée en chemin par les sbires de Di Baptista, elle est vendue aux enchères à un richissime Prince arabe comme esclave sexuelle.

Enfermée dans son palais comme ses autres possessions féminines, elle tombe amoureuse de son geôlier.

Enfin délivrée par les hommes de son frère, elle se retrouve confrontée à un dilemme : oublier le Prince ou accepter de vivre avec lui.

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **un nouveau départ** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your un nouveau départ so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way.
